**RESPONSE TO ORDER NO. 17**

This response addresses Order No. 17 providing Quadvest an opportunity to respond to Commission Staff's December 19, 2016 motion to dismiss this application. Due to circumstances beyond the control of Quadvest, Quadvest is unable to satisfy Commission Staff's position regarding the submittal of plans and specifications to the Texas Commission on Environmental Quality. While Quadvest would prefer an abatement of the proceedings for a reasonable period of time and therefore disagrees with the motion to dismiss, Quadvest understands the Commission Staff's position and does not object to the Commission Staff's motion to dismiss.
