RE: P.U.C. Docket No. 44740 – *Application of MCES Enterprises, Inc. to Amend a Certificate of Convenience and Necessity in Montgomery County*

Dear Judge Frazzell,

Order No. 3 set October 19, 2015 as the deadline for Staff to propose an additional procedural schedule, request a hearing, or file a final recommendation. On October 19, 2015, MSEC Enterprises, Inc. (MSEC) filed a Request for Abatement, stating that it has not received final approval from the Texas Commission on Environmental Quality (TCEQ) for the Wastewater Discharge Permit or the engineering plans and specifications. Staff supports MSEC's request. Staff will file a revised procedural schedule within 10 business days of receiving notice of the TCEQ approval.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Haas".
