JOINT STATUS REPORT

Pursuant to Order No. 4 issued in this docket and 16 Tex. Admin. Code § 24.109(g), Quadvest, L.P. ("Quadvest") hereby files, for itself and with permission from Westside Water, LLC ("Westside"), this Joint Status Report, and states the following:

1. As reported in the previous Joint Status Report regarding the process of obtaining a public water system ("PWS") certification for Lake Pointe Estates, Quadvest indicated that Ince Engineering, LLC submitted a packet to the Texas Commission on Environmental Quality ("TCEQ") Water Supply Division Utilities, Technical Review Team, on December 10, 2015 providing the information necessary to combine the Lake Point Estates underground utilities with Quadvest's existing "Bridlewood PWS #0790350." As an update, Quadvest hereby reports that Ince Engineering has been communicating with the Technical Review Team about the submittal and, based on those communications, anticipates TCEQ approval soon.

2. Quadvest continues to anticipate obtaining the PWS certificate from TCEQ well in advance of the October 19, 2016 deadline to submit all closing documents in this matter.

Respectfully submitted,
