**COMMISSION STAFF'S CORRECTION TO ITS BRIEF ON THRESHOLD
LEGAL/POLICY ISSUES**

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Correction. In support thereof, Staff shows the following:

CORRECTION

On February 22, 2016, Staff filed its Brief on Threshold Legal/Policy Issues (Brief). On page 6 of its Brief, Staff stated that Four Corners is not subject to co-tenancy. However, El Paso Electric provided Staff with additional information indicating that El Paso Electric owns its interest in Four Corners as a tenant-in-common with the other owners and each owns an undivided percentage interest in Four Corners. As such, there may or may not be a factual dispute as to whether the findings regarding transfer of a minority interest in *Texas Utilities Elec. Co. v. Public Utility Comm'n*, 881 S.W.2d 387 (1996) *rev'd in part, aff'd in part*, 935 S.W.2d 109 (Tex. 1996), applies to the facts of this case.
