Hello Everyone

PUBLIC UTILITY COMMISSION
FILING CLERK

My name is Norman Johnson and I live at 28917 San Bernard River Loop in spring Texas. I would like to be a part of the motion to stop the unfair rate increase done by Quadvest. The company has increased our water bill by \$100 for no good reason. I'm now looking at a minimal bill of \$220.00 which is ridiculous. Can you please help us to keep our bills to a reasonable amount and also stop them from taking advantage of us.

Yours truly,
Norman Johnson
