RE: Proposed Rate Increase for Quadvest L.P. CCN Numbers 11612

Consider this an official protest of the proposed rate increase for water supplied by Quadvest L.P. to residents of Benders Landing Estates. For years Quadvest have charged the highest rate for water usage compared to local comparable water companies in the area. And now, they are proposing another rate change. I oppose this rate change as it is unreasonable and not in the best interest of residents who will be paying the increase. Quadvest needs to better manage their business and costs rather than billing residents for poor mismanagement.
