COMES NOW the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest and files this Request for Additional time. In support thereof, Staff would show the following:

I. BACKGROUND

On June 8, 2015, Sharon Water Supply Corporation (Sharon WSC or Applicant) filed with the Public Utility Commission of Texas (Commission) an application (Application) to amend its water certificate of convenience (CCN) No. 10476 in Upshur and Wood Counties, Texas. The total area requested includes approximately 23,534 acres and 50 current customers.

Order No. 13 set the deadline of March 15, 2017 for Staff to file a final recommendation or request a hearing.

II. REQUEST FOR ADDITIONAL TIME

Staff recently determined that it needs to send request for information (RFI) to the Applicant to resolve a question with the Application. Therefore, Staff respectfully requests that it be allowed until April 30, 2017 to make a final recommendation or request a hearing.

IV. CONCLUSION

Staff respectfully requests the entry of an order consistent with the above request.
