**ORDER NO. 2
FINDING APPLICATION INCOMPLETE AND DEFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

I. Application

On June 8, 2015, Sharon Water Supply Corporation (Sharon WSC) filed with the Public Utility Commission of Texas (Commission) an application to amend Certificate of Convenience and Necessity (CCN) No. 10476. Order No. 1 required Commission Staff to file comments on the administrative completeness of the application and proposed notice.

II. Staff Recommendation on Administrative Completeness of the Application

On July 8, 2015, Commission Staff filed comments on the application. Commission Staff has determined that the application is not administratively complete because it contains material deficiencies, as specifically described in Commission Staff's July 8, 2015 filing and the attached memorandum of Debbie Reyes Tamayo, Tracy Harbor, and Fred Bednarski of the Commission's Water Utility Regulation Division. Pursuant to 16 Tex. Admin. Code § 24.8(a), applications are not considered filed until a determination of administrative completeness is made, thus at this time the application is not considered filed with the Commission.

In addition, Commission Staff recommended that Sharon WSC should not publish notice of the application until these discrepancies are corrected and approved by Staff.

III. Proposed Procedural Schedule

Commission Staff proposes that Applicant be given additional time to address the deficiencies identified by Commission Staff. Commission Staff proposes to file additional

comments regarding completeness of the amended application, along with a proposed procedural schedule once the application is administratively complete.

IV. Finding Application Incomplete and Deficient, Providing Opportunity to Cure

Consistent with Commission Staff's recommendation, Sharon WSC's application is found administratively incomplete and deficient. On or before **August 10, 2015**, Sharon WSC shall amend its application to cure the deficiencies noted by Staff. Processing of the application cannot proceed until the requested items are received and reviewed. Sharon WSC should not publish notice of the application until these discrepancies are corrected and approved by Staff.

On or before **September 9, 2015**, Commission Staff shall file a supplemental recommendation regarding administrative completeness of the amended application and notice along with a proposed procedural schedule.

SIGNED AT AUSTIN, TEXAS the 10th day of July 2015.
