COMMISSION STAFF'S REQUEST FOR EXTENSION OF TIME

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest and files this Request for Extension of Time. In support thereof, Staff would show the following:

I. BACKGROUND

On June 8, 2015, Sharon Water Supply Corporation (Sharon WSC or Applicant) filed with the Public Utility Commission of Texas (Commission) an application (Application) to amend its water certificate of convenience (CCN) No. 10476 in Upshur and Wood Counties, Texas. The total area requested includes approximately 23.534 acres and 50 current customers.

Staff filed its initial sufficiency finding on July 8, 2015, recommending that the application be found administratively incomplete due to numerous deficiencies, including engineering information, mapping data, and financial and managerial documentation. Order No. 2, filed on July 10, 2015, found the Application incomplete and deficient and gave Sharon WSC until August 10, 2015 to cure the deficiencies. The Applicant filed supplemental information on August 11, 2015 and August 20, 2015. Order No. 2 allowed Staff until September 9, 2015 to file a supplemental recommendation.

II. REQUEST FOR EXTENSION OF TIME

Staff has identified deficiencies that remain after Applicant's supplemental filing and needs some additional time to determine exactly what information is needed to continue processing the Application. Therefore, Staff requests until September 17, 2015 to file a supplemental recommendation.

III. CONCLUSION

Staff respectfully request the entry of an order consistent with the above request.

Dated: September 9, 2015
