**ORDER NO. 8
GRANTING REQUEST FOR EXTENSION
AND EXTENDING DEADLINES**

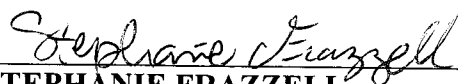

On January 22, 2016, City of Hackberry filed, pursuant to 16 Tex. Admin. Code § 22.4(b), a fourth request to extend the time in which to amend its application in order to cure the deficiencies described by Public Utility Commission of Texas (Commission) Staff. The City of Hackberry stated that an agreement with the Town of Little Elm regarding overlap has not yet been formalized; therefore, additional time is needed for completion of that agreement. Once completed, an amendment to the application can be filed.

City of Hackberry's request is granted. On or before **February 26, 2016**, City of Hackberry shall amend its application to cure the mapping deficiencies described by Commission Staff.

On or before **March 25, 2016**, Commission Staff shall file a supplemental recommendation regarding administrative completeness of the amended application and notice along with a proposed procedural schedule, if appropriate.

SIGNED AT AUSTIN, TEXAS the 28th day of January 2016.
