### NOTICE OF APPLICATION TO OBTAIN A CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) FOR THE PROVISION OF SEWER SERVICE IN DENTON COUNTY, TEXAS

The City of Hackberry has filed an application with the Public Utility Commission of Texas to obtain a sewer Certificate of Convenience and Necessity in Denton County.

The proposed utility sewer service area is located approximately 2 miles west of the downtown Frisco, Texas, and is generally bounded on the north by Lake Lewisville; on the east by the intersection of King Road and Witt Road; on the south by Hidden Cove Park; and on the west by Lake Lewisville.

The proposed sewer service area being requested is approximately 1,035 acres which includes 1,182 current customers.

A copy of the proposed service area map is available at: City of Hackberry, 119 Maxwell Road, Frisco, Texas 75034 or by calling (972) 292-3223.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas  
Central Records  
1701 N. Congress, P. O. Box 13326  
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed service area, you may request to be excluded from the proposed service area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All requests to opt out of the requested service area must include a large scale map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Public Utility Commission of Texas  
Central Records  
1701 N. Congress, P. O. Box 13326  
Austin, TX 78711-3326

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.
