**ORDER NO. 14
GRANTING REQUEST FOR EXTENSION
AND EXTENDING DEADLINES**

This Order addresses Commission Staff's request for additional time in order to allow the City of Hackberry to file additional information and for Commission Staff to file its final recommendation or request a hearing filed on September 27, 2016.

Commission Staff stated, while the City of Hackberry sufficiently addressed many of its concerns, an outstanding concern regarding whether the City of Hackberry's wastewater permit was timely renewed remains. As a result, Commission Staff stated that it is unable to complete a technical review of the application. Commission Staff recommended that the City of Hackberry be allowed additional time to submit responsive information to the permit renewal information and that Commission Staff's deadline for a final recommendation or request for hearing also be extended.

Consistent with Commission Staff's recommendations, the City of Hackberry shall file, on or before **October 18, 2016**, documentation that its violation with the Texas Commission on Environmental Quality has been cured. Commission Staff shall file, on or before **November 7, 2016**, a final recommendation or request a hearing.

SIGNED AT AUSTIN, TEXAS the 28th day of September 2016.
