APPLICANT'S REQUEST FOR EXTENSION OF MAPPING DEADLINE

Comes now, applicant Childress Creek Water Supply Corporation (Childress), and would show the following in response to the August 19, 2015, Order No. 3 of the Public Utility Commission (Commission):

I. BACKGROUND

On June 16, 2015, Childress filed an application with the Commission to decertify a portion of the area served by its certificate of convenience and necessity (CCN) No. 11000 in Bosque County, Texas. By its application, Childress seeks to have the Commission decertify the portion of its area occupied by the VM Neighbors Water Group (VM Neighbors) tracts. VM Neighbors operates a water delivery system to nine tracts, which have never received water or wastewater services from Childress. Once the VM Neighbors tracts are decertified, VM Neighbors will qualify to register as an exempt utility. VM Neighbors submitted an Exempt Utility Registration application to the Commission concurrently with Childress's application to amend its CCN. VM Neighbors' registration application was docketed at the Commission as Docket No. 44849. In response to the Commission's Order No. 2 in Docket 44849, VM Neighbors requested to abate that proceeding pending resolution of Childress's application to
