ORDER NO. 4
GRANTING APPLICANT'S REQUEST FOR EXTENSION
OF MAPPING DEADLINE

On October 27, Childress Creek Water Supply Corporation (Childress) filed a request for extension of its mapping deadline of November 13, 2015. Applicant explained that Childress and VM Neighbors have been exploring cooperative options that would obviate the need to decertify the VM Neighbors tracts. Additional time is needed for VM Neighbors to attend Childress's monthly meetings. Applicant stated Commission Legal Staff has been consulted and has no opposition to the request for extension.

Childress Creek's request for extension of time until **January 15, 2016** to complete and submit maps and data to the Commission is granted.

Commission Staff's December 14, 2015 deadline to file a supplemental recommendation regarding administrative completeness of the application is also extended until **February 15, 2016**.

SIGNED AT AUSTIN, TEXAS the 29th day of October 2015.
