**ORDER NO. 4  
REQUIRING THE APPLICANT TO FILE STATUS REPORT OR MOTION TO LIFT  
THE ABATEMENT OF THIS DOCKET**

On August 20, 2015, VM Neighbors' request to abate this docket, until the completion of Docket No. 44843, was granted in Order No. 3. On September 7, 2016, the Notice of Approval was issued for Docket No. 44843, *Application of Childress Creek Water Supply Corporation to Amend its Water Certificate of Convenience and Necessity in Bosque County by Decertifying the VM Neighbors Water Group Tracts.*

On November 8, 2016, the applicant filed a status update stating there was a delay in the applicant requesting to lift the abatement because of the death of the President of VM Neighbors Water Group. The applicant stated the new board of directors for VM Neighbors was in the process of getting elected within weeks of November 2016 and would then file a motion to lift the abatement of this docket.

The applicant shall file a status report or motion to lift the abatement of this docket no later than June 16, 2017.

Signed at Austin, Texas the 30<sup>th</sup> day of May 2017.
