APPLICANT'S STATUS UPDATE

Comes now, applicant VM Neighbors Water Group (VM Neighbors) to offer the following status update to the Public Utility Commission of Texas (the Commission).

This docket has been abated since August 19, 2015. VM Neighbors filed a status update with the Commission on June 9, 2017, informing the Commission that VM Neighbors had set an organizational meeting for June 17, 2017. VM Neighbors stated that as soon as directors were elected and officers appointed at that meeting, VM Neighbors would file a motion to lift the abatement and would supplement its application.

VM Neighbors conducted its organization meeting as scheduled and elected directors and appointed officers. This brief update is filed to inform the Commission of that progress. VM Neighbors will file its motion to lift abatement and supplement application within the next 30 days. Applicants' counsel has discussed this timetable with counsel for the Commission, and counsel for the Commission has no opposition.
