FILING CLERK

**ORDER NO. 3
GRANTING APPLICANT'S REQUEST TO ABATE AND FOR EXTENSION TO
RESPOND TO DEFICIENCIES IN APPLICATION**

On June 16, 2015, VM Neighbors Water Group (VM Neighbors) filed with the Public Utility Commission of Texas (Commission) an application for exempt utility registration pursuant to Tex. Water Code Ann. § 13.242(c) and 16 Tex. Admin. Code § 24.103(d) (TAC).

On July 16, 2015, VM Neighbors' application was found to be administratively incomplete and deficient. In Order No. 2, VM Neighbors was ordered to (1) request an abatement until Docket No. 44843¹ is processed or (2) explain how this case should proceed without the relief requested in Docket No. 44843.

On August 14, 2015, VM Neighbors filed a request to abate and for extension of time to respond to deficiencies in the application. VM Neighbors requested the Commission abate this proceeding until Docket No. 44834 is processed and also requested an extension of time to cure the deficiencies. VM Neighbors stated that Commission Staff has no objection to the requests.

Consistent with the agreement of the parties, VM Neighbors' request to abate this proceeding until Docket No. 44834 is completely processed is granted and all deadlines previously established are cancelled.

¹ *Application of Childress Creek Water Supply Corporation to Amend its Water Certificate of Convenience and Necessity in Bosque County by Decertifying the VM Neighbors Water Group Tracts, Docket No. 44843 (pending).*

SIGNED AT AUSTIN, TEXAS on the 20th day of August 2015.

PUBLIC UTILITY COMMISSION OF TEXAS

JEFFREY J. HUHN
ADMINISTRATIVE LAW JUDGE
