AND HAND DELIVERY**

Re: PUC Docket No. 44892; Application of City of Lubbock to Amend Certificates
of Convenience and Necessity in Lubbock County

Dear Administrative Law Judge Huhn:

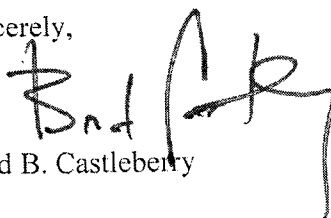

On May 9, 2016, Public Utility Commission ("Commission") Staff filed its Response to Order Number 7 in this matter (the "Response"), finding the City of Lubbock's (the "City's") above-referenced application (the "Application") administratively complete.

On May 10, 2016, Order No. 8 was issued, affirming Commission Staff's findings and requiring the City to (i) provide notice of the Application to specific entities, cities and landowners as detailed in the Response; (ii) publish the approved notice for publication as detailed in the Response; and (iii) submit verification of the same to the Commission no later than June 9, 2016.

With this filing, the City submits the Publisher's affidavit and newspaper tearsheets for publication of the required notice on May 15 and May 22, 2016 as **Attachment A**, an affidavit of notice to neighboring systems and cities and copies of same as **Attachment B**, and an affidavit of notice to landowners and copies of same as **Attachment C**.

If you have any questions about this filing, please do not hesitate to contact me at (512) 322-5856 or at bcastleberry@lglawfirm.com or my colleague, Ashleigh Acevedo, at (512) 322-5891, aaacevedo@lglawfirm.com.

Sincerely,

Brad B. Castleberry

Notice for Publication

**NOTICE OF APPLICATION TO
AMEND AND DECERTIFY PORTIONS
OF A CERTIFICATE OF
CONVENIENCE AND NECESSITY
(CCN) TO PROVIDE WATER AND
SEWER UTILITY SERVICE IN
LUBBOCK COUNTY, TEXAS**

The City of Lubbock has filed an application with the Public Utility Commission of Texas to amend and decertify portions of its Certificate of Convenience and Necessity for water CCN No. 19627 and for sewer CCN No. 20230 for the provisions of Water and Sewer utility service in Lubbock County.

The proposed utility service areas for water and sewer are located approximately 2 miles south of downtown New Deal, Texas, and is generally bounded on the north by SR 3700; on the east by CR3100; on the south by CR 7600; and on the west by CR 1100.

The proposed water service area requested includes approximately 84,857 acres and 82,172 current customers.

The proposed sewer service area requested includes approximately 84,857 acres and 77,293 current customers.

A copy of the proposed service area map is available at: 402 Municipal Drive, Lubbock, TX 79457

A request for a public hearing must be in writing. You must state: (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you or a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All requests to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request. Si desea información en Español, puede llamar al 1-512-936-7221.

You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

0000000000009

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All requests to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.

CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) TO PROVIDE
WATER AND SEWER UTILITY SERVICE IN LUBBOCK COUNTY, TEXAS

To:

Date Notice Mailed: May 18, 2016

Mr. Manuel Rodriquez
Texin Enterprises Water System
110 East 86th
Lubbock, TX 79404

The City of Lubbock has filed an application with the Public Utility Commission of Texas to amend and decertify portions of its Certificate of Convenience and Necessity for water CCN No. 10627 and for sewer CCN No. 20230 for the provision of Water and Sewer utility service in Lubbock County.

The proposed utility service areas for water and sewer are located approximately 2 miles south of downtown New Deal, Texas, and is generally bounded on the north by CR 5700; on the east by CR 3100; on the south by CR 7600; and on the west by CR 1100.

See enclosed map of the proposed service area.

The proposed water service area requested includes approximately 84,057 acres and 82,172 current customers.

The proposed sewer service area requested includes approximately 84,057 acres and 77,293 current customers.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

0000000000009

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All requests to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.
