ORDER NO. 4

**THIRD NOTICE FINDING APPLICATION INCOMPLETE AND DEFICIENT;
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

I. Background

On November 16, 2015, in response to Order No. 3, the City of Mount Pleasant (Applicant) amended its application to cure deficiencies identified by Public Utility Commission of Texas (Commission) Staff.

**III. Staff Recommendation on Administrative Completeness of the
Amended Application and Notice**

On December 16, 2015, Commission Staff commented on the amended application. Commission Staff recommended that the application remains deficient and not administratively complete because it contains material deficiencies, as specifically described in Commission Staff's December 16, 2015, filing and the attached memorandum of Fred Bednarski and Tracy Montes of the Commission's Water Utility Regulation Division. Pursuant to 16 Tex. Admin. Code § 24.8(a), applications are not considered filed until a determination of administrative completeness is made; thus, at this time, the application is not considered filed with the Commission.

**IV. Finding Amended Application Incomplete and Deficient,
Providing Opportunity to Cure**

Consistent with Commission Staff's recommendation, the application remains administratively incomplete and deficient. On or before **January 15, 2016**, Applicant shall amend its application to cure the deficiencies noted by Staff. Processing of the application cannot proceed until the requested items are received and reviewed. Applicant should not send out notice to affected parties until these discrepancies are corrected.

14

On or before **February 16, 2016**, Commission Staff shall file additional comments regarding administrative completeness.

SIGNED AT AUSTIN, TEXAS on the 18th day of December 2015.
