Request for Extension for Response to Order No. 4

To Whom It May Concern:

This letter serves as a request for an extension of the response to Order No. 4 with a deadline of January 15, 2016. Based on recommendations from the PUC staff, we request to extend the deadline to January 29, 2016. The extension is requested in order to work with the PUC mapping staff to resolve overlaps with the surrounding CCN data. Enclosed are one original and nine (9) copies of this extension request.

If you have any questions or require additional information, please feel free to give me a call.

Sincerely,

KSA
