Request for Extension for Response to Order No. 4

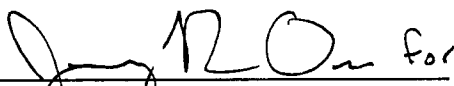

To Whom It May Concern:

This letter serves as a request for a second extension of the response to Order No. 4. Based on recommendations from the PUC staff, we request another extension to extend the deadline to March 4, 2016. The deadline of the first extension is January 29, 2016. The extension is requested in order to continue working with the PUC mapping staff to resolve overlaps with the surrounding CCN data. Enclosed are one original and nine (9) copies of this extension request.

If you have any questions or require additional information, please feel free to give me a call.

Sincerely,

KSA
