NOTICE OF APPLICATION TO OBTAIN A CERTIFICATE OF CONVENIENCE AND

NECESSITY (CCN) TO PROVIDE WATER UTILITY SERVICE IN TARRANT COUNTY, TEXAS

Twin Lakes Water Supply has filed an application with the Public Utility Commission of Texas to Obtain a Certificate and Necessity for the provision of water utility service in Tarrant County. The proposed utility service area is located approximately **2 miles northwest of the intersection of Jacksboro Highway and FM 1886 in Lakeside, Texas**, and is generally bounded on the north by **State Highway 199 (Jacksboro Highway)**; on east by **Texas Highway 199 Frontage Road**; on the south by **Nine Mile Bridge Road**; and on the west by **Tenderfoot Trail**. The total area for the water CCN being requested consists of facility lines plus 200 feet, encompassing approximately 30 acres which includes 38 current customers. A copy of the proposed service area map is available at: Twin Lakes Water Supply, 11617 Little Leaf Ct. West Fort Worth, Texas 76135 or by calling (817) 344-8932. A request for a public hearing must be in writing. You must state (1) your name, mailing address and daytime telephone number (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I / we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing. Persons who wish to intervene or comment should write the: Public Utility Commission of Texas, Central Records, 1701 N. Congress, P.O. Box 13326, Austin, TX 78711-3326, within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled. If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court. If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All request to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land. Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the: Public Utility Commission of Texas, Central Records, 1701 N. Congress, P.O. Box 13326, Austin, TX 78711-3326. A copy of the request to opt out of the proposed are must also be sent to the applicant. Staff may request additional information regarding your request.
