**ORDER NO. 2
GRANTING LCRA TSC's MOTION TO INTERVENE
AND ADDRESSING REVISION TO LCRA TSC TARIFF**

On August 5, 2015, LCRA Transmission Services Corporation (LCRA TSC) filed a motion to intervene in this docket for the stated purpose of approval of revision to its wholesale transmission tariff contemporaneously with any rate change approved by the Commission for Guadalupe Valley Electric Cooperative, Inc. (GVEC). LCRA TSC represented that GVEC requested LCRA TSC to intervene. Specifically, LCRA TSC currently assesses and recovers transmission cost of service (TCOS) for several cooperatives, including GVEC. Such tariffs and respective rates are listed in LCRA TSC's wholesale transmission tariff and as a result, TCOS changes that result in changed rates for GVEC also require an amendment to LCRA TSC's tariff to reflect the correct wholesale transmission rates that can be charged.

Consistent with the foregoing, LCRA TSC's motion to intervene is granted. As described in the application filed by GVEC, any change in GVEC's rates will necessitate an amendment to LCRA TSC's wholesale transmission tariff to reflect GVEC's new rate. Therefore, no additional notice is required.

SIGNED AT AUSTIN, TEXAS on the 10th day of August 2015.
