Re: DOCKET NO. 44992, Follow-Up Regarding Customer Deposits

Dear Ms. Switzer:

This letter is a follow-up to the information sent on May 4, 2016 regarding the closing and proof that a sale/transfer has been consummated. The Public Utility Commission ("PUC") has also requested that the entities address customer deposits. TexAmericas Center Executive Director/CEO, Scott Norton, has verified that NO deposits have ever been collected on any wet utilities' customers associated with CCN Nos. 13210 or 21067.

The Board of Directors of the Riverbend Water Resources District is scheduled to discuss the issue of requiring deposits going forward. However, as deposits are associated with the current customer, none were collected and none will be transferred.

If you have any further questions or comments, please do not hesitate to contact me on my cell at (303) 888-7353.

Sincerely,

*Elizabeth A. Fazio Hale*
