**ORDER NO. 4
GRANTING EXTENSION**

On December 30, 2015, the Public Utility Commission of Texas (Commission) Staff filed a response to Order No. 3 requesting to extend the deadline to file additional comments regarding administrative completeness along with a proposed procedural schedule. Commission Staff stated that after reviewing Ranch Country's supplemental mapping data filed on December 4, 2015, deficiencies were identified in the supplemental digital maps. Commission Staff and Ranch Country are working diligently to correct the digital mapping data. Therefore, Commission Staff requested an extension to January 26, 2016 to file its response to Order No. 3.

Commission Staff's request for extension is granted. On or before **January 26, 2016**, Commission Staff shall file additional comments regarding administrative completeness along with a proposed procedural schedule.

SIGNED AT AUSTIN, TEXAS the 5th day of January 2016.
