APPLICATION OF SOUTH CENTRAL § PUBLIC UTILITY COMMISSION
 WATER COMPANY FOR A WATER §
 RATE/TARIFF CHANGE §

2017 FEB 27
 PUBLIC UTILITY COMMISSION
 OF TEXAS
 HEIDI GRAHAM

ORDER NO. 12
APPLICATION REMAINS DEFICIENT;
ESTABLISHING DEADLINES FOR OPPORTUNITY TO CURE

This Order addresses Commission Staff's January 26, 2016 recommendation that South Central's application be found deficient and administratively incomplete. Heidi Graham and Emily Sears of the Commission's Water Utility Regulation Division stated in the attached memorandum that the applicant has not provided the capital improvements plan in accordance with 16 TAC §24.105(a)(6). Additional information is needed to complete the administrative review, as stated in the memorandum, therefore, South Central's application remains deficient.

Under 16 Tex. Admin. Code § 24.8(a), rate/tariff change applications are not considered filed until a determination of administrative completeness is made; thus, at this time, this application is not considered filed with the Commission. South Central's proposed rate change remains suspended until the application is found administratively complete.

On or before February 27, 2017, South Central shall file the additional documents requested by Commission Staff. On or before March 21, 2017, Commission Staff shall file a supplemental recommendation regarding the sufficiency of the application and notice and propose a procedural schedule, if appropriate.

SIGNED AT AUSTIN, TEXAS the 1st day of February 2017.
