**RE: Tariff Control No. 45049 – *Application of Lakeland Section Four Civic Club Water System for a Pass Through Rate Change***

### **NOTICE OF APPROVAL**

On August 18, 2015, Lakeland Section Four Civic Club Water System (Lakeland) filed an application to implement a pass-through rate increase for the pumpage fee imposed on the utility by the San Jacinto River Authority (SJRA) under its ground water reduction program. The rate increase became effective September 1, 2015.

On November 23, 2015, Public Utility Commission of Texas (Commission) Staff recommended approval of Lakeland's application and pass-through rate of \$2.72 per 1,000 gallons. Commission Staff stated that the application and notice, as mailed to customers, satisfied the requirements of 16 Tex. Admin. Code § 24.21(h)(4) and (5).

Consistent with Commission Staff's recommendation, Lakeland's application is approved. After issuance of this Notice, the first bill issued by Lakeland with the pass-through adjustment shall include a short statement that this rate change is being implemented in accordance with the utility's approved pass-through provision for fees imposed by the SJRA. The approved tariff is attached to this Notice.
