SOAH ORDER NO. 4
GRANTING IN PART MOTION TO AMEND PROCEDURAL SCHEDULE AND
REQUIRING PARTIES TO SUBMIT A PROPOSED AGREED SCHEDULE

On March 7, 2016, J. Hinken (Complainant) filed a Motion to Amend Procedural Schedule. Complainant provided a proposed schedule that would require rescheduling the hearing date; however, no proposed hearing date was provided.

On March 9, 2016, Staff filed a response to the motion, which stated that Staff did not oppose granting additional time to Complainant to file her direct testimony, subject to the agreement of the parties. Bastrop West Water and Paul Klaus (together, BWB) did not file a response to the motion.

The motion is **GRANTED IN PART**. The parties are **ORDERED** to submit, by **April 7, 2016**, an agreed modified schedule that provides Complainant with additional time to file her direct testimony. However, as Complainant has the burden of proof, the schedule must provide that her direct testimony is filed before BWB's direct testimony. Additionally, if the proposed schedule necessitates rescheduling of the hearing on the merits, the parties shall provide three agreed, proposed sets of hearings dates.

SIGNED March 17, 2016.
