SOAH ORDER NO. 5
REQUIRING PARTIES TO SUBMIT A MODIFIED SCHEDULE
IN COMPLIANCE WITH ORDER NO. 4

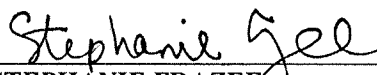

On March 7, 2016, J. Hinken (Complainant) filed a Motion to Amend Procedural Schedule. Complainant provided a proposed schedule that would require rescheduling the hearing date; however, no proposed hearing date was provided.

On March 9, 2016, Staff filed a response to the motion, which stated that Staff did not oppose granting additional time to Complainant to file her direct testimony, subject to the agreement of the parties. Bastrop West Water and Paul Klaus (together, BWB) did not file a response to the motion.

On March 17, 2016, the Administrative Law Judge (ALJ) issued Order No. 5, which granted the motion in part and required the parties to submit, by April 7, 2016, an agreed modified schedule that provides Complainant with additional time to file her direct testimony and that specifies whether the hearing on the merits must be rescheduled to accommodate the modification. However, to date, no modified schedule has been submitted.

Therefore, the parties are **ORDERED** to submit an agreed, modified procedural schedule that complies with Order No. 4 by **May 27, 2016**. If the parties do not submit an agreed, modified schedule by that date, the ALJ will modify the schedule by order.

SIGNED May 16, 2016.
