ORDER NO. 4
FINDING APPLICATION REMAINS INCOMPLETE AND DEFICIENT

On February 10, 2016, Public Utility Commission of Texas (Commission) Staff recommended that this application remains deficient and not administratively complete as specifically described in the pleading and attached memorandum of Andrew Novak, Fred Bednarski III, and Tracy Montes of the Commission's Water Utility Regulation Division. Pursuant to 16 Tex. Admin. Code § 24.8(a), applications are not considered filed until a determination of administrative completeness is made; thus, at this time this application is not considered filed with the Commission. Applicants, Kempner Water Supply Corporation and the City of Copperas Cove, should not send out notice to affected parties until instructed to do so.

Consistent with Commission Staff's recommendation, this application remains administratively incomplete and deficient. This is the third order finding this application deficient. However, Applicants are provided another opportunity to complete the application. On or before **March 10, 2016**, Applicants shall supplement/amend the application to cure the deficiencies noted by Commission Staff. On or before **April 8, 2016**, Commission Staff shall file a supplemental recommendation regarding administrative completeness of the amended application.

SIGNED AT AUSTIN, TEXAS the 12th day of February 2016.
