ORDER NO. 3

SECOND NOTICE FINDING APPLICATION INCOMPLETE AND DEFICIENT

On December 11, 2015, Public Utility Commission of Texas (Commission) Staff commented that the application of Kempner Water Supply Corporation and the City of Copperas Cove (collectively, Applicants) is still deficient and not administratively complete as specifically described in Commission Staff's December 11, 2015 filing and attached memorandum. Pursuant to 16 Tex. Admin. Code § 24.8(a), applications are not considered filed until a determination of administrative completeness is made; thus, at this time the application is not considered filed with the Commission. Applicants should not send out notice to affected parties until these discrepancies are corrected.

Consistent with Commission Staff's recommendation, the application remains administratively incomplete and deficient. On or before **January 8, 2016**, Applicants shall amend its application to cure the deficiencies noted by Commission Staff. On or before **February 10, 2016**, Commission Staff shall file a supplemental recommendation regarding administrative completeness of the amended application.

SIGNED AT AUSTIN, TEXAS the 15th day of December 2015.
