RE: Project No. 45219 - *Application of Optim Energy Altura Cogen, LLC to Amend its Power Generation Company Registration*

### RECOMMENDATION

On October 2, 2015, Optim Energy Altura Cogen, LLC ("Optim Energy") filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Tex. Admin. Code §25.109 (TAC). Optim Energy stated that an amendment is necessary to update change in ownership/control. Optim Energy registration number is 20030.

After a review of Optim Energy's Application, I have concluded that the applicant has satisfactorily completed the post-registration requirements under 16 Tex. Admin. Code §25.109 (h) by notifying the Commission of any material change in the information provided on the registration form. Therefore, I recommend that Optim Energy's application for an amendment to its power generation company registration to reflect updated change in ownership/control be granted. The Commission records should be revised to reflect the amendment.
