DISMISSING APPLICATION**

On February 16, 2016, Rocky Creek Manor Subdivision (Rocky Creek) filed a motion to withdraw its application for exempt utility registration.

16 Tex. Admin. Code § 22.181(b) allows a party who initiated a proceeding to withdraw its application, without prejudice to refile of same, at any time before that party has presented its direct case. Accordingly, Rocky Creek's motion to withdraw is granted. This docket is dismissed without prejudice to refile of same.

SIGNED AT AUSTIN, TEXAS on the 16th day of February 2016.
