GRANTING REQUEST FOR LEAVE TO AMEND APPLICATION AND  
EXTENDING DEADLINES**

This Order addresses Woodland Hills Water, LLC's request for a 90-day extension of the deadline established in Order No. 4 requiring Woodland Hills to supplement its application to cure all deficiencies previously identified by Commission Staff. Additionally, Woodland Hills requests to amend the application to add a small additional tract of land that had inadvertently been omitted from the application. The applicant represented that Commission Staff does not object to the requested extension of time.

Woodland Hills' request for a 90-day extension is granted. Woodland Hills shall file information to cure the deficiencies in its application on or before **May 26, 2016**. Consequently, Commission Staff's deadline to file a supplemental recommendation regarding sufficiency of the amended application and notice is extended until **June 27, 2016**.
