PUBLIC UTILITY COMMISSION  
FILING CLERK

**WOODLAND HILLS WATER LLC'S  
MOTION TO ABATE**

COMES NOW, Woodland Hills L.L.C., ("Woodland Hills") by and through its designated representative, Timothy Karczewski, and files this Motion to Abate the Proceedings.

On March 27, 2017 the Honorable Administrative Law Judge issued Order No. 12, requiring Woodland Hills to respond to the recommendation of the Public Utility Commission Staff and/or request a hearing by May 15, 2017. Based upon discussions between the parties since the issuance of the Staff's recommendations, we believe we have identified a resolution to this case. However, it will take a couple of weeks to exchange the necessary paperwork.

This request is not made to unduly delay the process but so that justice may be done. We have consulted with Mr. Jason Hass and he has represented that the Staff does not object to the granting of this Motion.

We respectfully request that the proceedings be abated for approximately 30 days.

Respectfully submitted,
