I. Application

On October 16, 2015, House Hahl Commercial Owners (House Hahl) filed with the Public Utility Commission of Texas (Commission) an application for exempt utility registration pursuant to Texas Water Code § 13.242(c) and 16 Tex. Admin. Code § 24.103(d).

II. Staff Recommendation on Sufficiency of Application

On January 20, 2016, Commission Staff filed a recommendation on administrative completeness of the application. Commission Staff has determined that the map application remains deficient due to the map not being an adequate large scale map. Commission Staff recommended that the application be deemed administratively incomplete and that House Hahl be allowed until February 24, 2016, to correct the deficiency. Commission Staff proposed to file a supplemental recommendation on administrative completeness on March 23, 2016.

III. Proposed Procedural Schedule

Consistent with Commission Staff's recommendation, the application is deficient and not administratively complete. On or before **February 24, 2016**, House Hahl shall amend its application to cure the deficiencies identified in Commission Staff's recommendation. Commission Staff shall file a supplemental recommendation regarding administrative completeness of the amended application along with a proposed procedural schedule, if appropriate, on **March 23, 2016**.
