**Re: Zipp Road Utility Company, LLC Wastewater CCN Application; Docket No:  
45272**

Dear Alexander:

This letter is to notify you that Zipp Road Utility Company, LLC ("Zipp Road") and Guadalupe-Blanco River Authority ("GBRA") have reached a settlement where, among other things, Zipp Road will receive wholesale wastewater service from GBRA while remaining the retail provider. The new wholesale/retail relationship triggers changes to the pending CCN application, which will be made in a separate filing. Specifically, Zipp Road will be revising Page 6, Item C of the Application to reflect that wastewater treatment will be provided by GBRA's Dunlap WWTP on a wholesale basis. Additionally, Zipp Road will revise pages 22-25 and 50-53 of the CCN application to reflect wholesale payments to GBRA and deletion of costs associated with the construction of a WWTP that will no longer be built.

If you have any questions, please do not hesitate to call Randy Wilburn or me.

Sincerely,

Helen S. Gilbert
