Re: PUC Docket No. 45283; SOAH Docket No. 473-16-1834.WS; *Ratepayers'*
Appeal of the Decision by North San Saba Water Supply Corporation to Change
Rates

Greetings,

Please file in the above-referenced matter this cover letter and the enclosed document containing comments on behalf of North San Saba Water Supply Corporation and at the request of North San Saba Water Supply President Roger Whatley. Enclosed are one original paper copy and 10 disc copies.

Thanks,

Regina M. Morgan
rmmorgan@centex.net

Comment to be filed in PUCT Docket#45283

For convenience, below is a texted-document listing of the names of those Members of the North San Saba Water Supply Corporation who have signed the Board-sponsored petition, and indicating their support of the NSSWSC Board's position in the matter of PUCT Docket#45283. The actual signed petition sheets are attached. It is understood by all that this petition has no force of law under Texas Water Code 13.043, as did the original petition which necessitated opening this case. Instead, the intent of this petition is to demonstrate, as a matter of moral balance, that at least as many Members support the Board's action, as do not. The petition reads as follows:

A Petition

**by NSSWSC members and Ratepayers in the matter of the NSSWSC Rate Case,
Docket #45283 before the PUC of Texas.**

Whereas, we the undersigned are Members are in good standing with the North San Saba Water Supply Corporation (the Coop), and we understand the Board's new rates effective on August 15, 2015 to have been fair and reasonable, and financially prudent, and even necessary to prevent insolvency and risk the sale of our Coop to a For-Profit Water Company, we hereby petition the PUCT in the matter of Docket #45283 to take no action regarding those rates.

Summary

There are 60 total signatures.

There are 10 spouses (extra signatures), but cases where multiple meters are represented.

There are 52 total meters or connections represented.

ALL 7 NSSWSC Board Members signed this Counter-Petition. The legal, moral, financial, and otherwise, defense of these Current Water Rates is unanimous amongst the Board members, as was the original Board decision to raise rates in July and August 2015.
