I. BACKGROUND

On November 2, 2015, Johnston Water Utility, LLC (Johnston Utility) filed an application to implement a pass-through rate increase for pumpage fees imposed on the utility by the San Jacinto River Authority (SJRA). The ALJ also required Staff to file a supplemental recommendation by February 1, 2016.

II. REQUEST FOR EXTENSION OF TIME

Staff has spoken with Johnston Utility, and Johnston Utility is now aware of the requirement to file additional information. Staff requests that Johnston Utility be allowed until February 22, 2016 to file the additional information. Staff also requests until March 22, 2016 to file a supplemental recommendation.

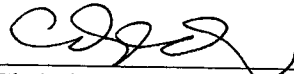

III. CONCLUSION

Staff respectfully requests the entry of an order consistent with the above request.
