 APPLICATION TO OBTAIN OR AMEND A WATER AND SEWER CERTIFICATE OF
 CONVENIENCE AND NECESSITY (CCN)
 DOCKET NUMBER: 45369
 TCEQ PWS ID NUMBER: 0270013
 BURNET COUNTY, TEXAS**

Dear Sir or Madam:

We are submitting for your review one original and six copies of the requested revised maps that now include a small scale map (general location) and a large scale map delineating only the proposed service areas for the Application to "Amend" a Water and Sewer Certificate of Convenience and Necessity (CCN) for the City of Cottonwood Shores, Texas.

The area is now excluding approximately 15 acres from the northern most end of the LBJ Yacht Club. Therefore, the City of Cottonwood Shores will not need to obtain permission from the Lower Colorado River Authority in order to obtain the CCN.

Should you have any questions or require additional information in your review process, please don't hesitate to contact this office.

Cordially,
S.D. KALLMAN, L.P. --
