**ORDER NO. 9
FINDING CLOSING DOCUMENTS INSUFFICIENT,
ESTABLISHING DEADLINES**

This Order addresses Commission Staff’s recommendation regarding the sufficiency of the closing documents. Ranch Utilities, L.P.’s filed proof of sale documents on August 25, 2017. According to the memorandum of Patricia Garcia of the Commission’s Water Utility Regulation Division, the closing documents were found to be insufficient. The closing documents are lacking a signature by a representative of EMCAD Water and Wastewater LLC. Staff recommended Ranch Utilities file documentation signed by both applicants. Staff proposed deadlines for Ranch Utilities to file the documentation and for Staff’s supplemental recommendation.

Consistent with Staff’s recommendation, the proposed deadlines are adopted. No later than by September 22, 2017, Ranch Utilities shall file the supplemental documentation signed by an EMCAD representative. No later than September 29, 2017, Commission Staff shall file a supplemental recommendation on the sufficiency of the closing documents.

Signed at Austin, Texas the 18th day of September 2017.
