COMMISSION STAFF'S PROPOSED PROCEDURAL SCHEDULE

COMES NOW the Staff of the Public Utility Commission of Texas, representing the public interest, and files Commission Staff's Proposed Procedural Schedule in response to Order No. 2 and would show the following:

I. Background

On November 30, 2015, Terrace Acres Water Supply Corporation (Terrace Acres WSC) and Bolivar Water Supply Corporation (Bolivar WSC) (collectively, Applicants) filed an application for sale, transfer, or merger of facilities and certificate rights in Denton County. Applicants seek approval of a transaction in which Bolivar WSC will acquire all of Terrace Acres WSC's certificated service area under water certificate of convenience and necessity (CNN) No. 12323 in Denton County, and associated facilities. Bolivar WSC's CCN No. 11257 will be amended.

In Order No. 2, issued January 4, 2015, the Administrative Law Judge (ALJ) found the application to be administratively complete and ordered Staff to file an additional procedural schedule for the remainder of the proceeding by February 17, 2016. Therefore, Staff's proposed schedule is timely.

Expiration of 120-day deadline for Commission action on STM (approval or denial of sale/transfer to proceed) pursuant to 16 Texas Administrative Code § 24.109(e) (TAC). ²	Tuesday, May 3, 2016

If the Commission ALJ determines on or before May 3, 2016 that the STM should be approved, Staff will at that point propose additional dates for the processing of this docket, such
