Re: *Review of the Rates of Sharyland Utilities, L.P., Establishment of Rates for Sharyland Distribution & Transmission Services, L.L.C., and Request for Certificate of Convenience and Necessity and Transfer of Certificate Rights, PUC Docket No. 45414; SOAH Docket No. 473-16-4051*

Dear Administrative Law Judges:

On March 20, 2017, Texas Industrial Energy Consumers (TIEC) filed a letter in response to SOAH Order No. 18 adding markings to pre-filed testimony in order to designate the phase to which each piece of testimony belonged. TIEC inadvertently designated Michael P. Gorman's testimony as relating to the Cost Allocation/Rate Design phase. TIEC makes the following correction that will be reflected in the copies offered into evidence:

Michael P. Gorman

Change "(Cost Allocation/Rate Design Phase)" to "(Revenue Requirement)" on cover page.

Change "(Cost Allocation/Rate Design Phase)" to "(Revenue Requirement)" on workpapers.

Sincerely,

Michael McMillin
