Important Notice Regarding the Planned Discontinuance of Certain Voice Over the Internet (VoIP) Service Provided by CenturyLink Communications, LLC, a Lumen Company

Dear [REDACTED],

At CenturyLink Communications, LLC, a Lumen company (CenturyLink), our goal is to provide you with great quality and value while remaining competitive. Changing market conditions require that we continually evaluate our pricing, product offerings and infrastructure.

In 2018, we stopped the sale of the services identified in Attachment A (Affected Services), including your ability to make moves, adds, or changes. We are now writing to inform you that, as of September 29, 2023, or as soon after that date as authorized by the Federal Communications Commission (FCC) and the state regulatory commission, if required, the Affected Services will be discontinued and CenturyLink will no longer provide VoIP service over the Sylantro VoIP platform in all fifty (50) states and the District of Columbia.

In order to maintain continuous service at your location, we would like to work with you to migrate your existing service to a similar service or another state-of-the-art platform that will provide your business with greater flexibility, simplicity, and efficiency. The good news is that CenturyLink offers multiple VoIP solutions with new technology, capabilities and features to enhance your communication experience including Hosted VoIP and IQ SIP Trunk (native SIP or PRI handoff).

If you have not planned with CenturyLink or another telecommunications service provider to replace your voice service listed in Attachment A prior to September 29, 2023, your service will be disconnected, provided that the FCC and state commission, if required, approve the planned VoIP platform discontinuance.

Please contact a Lumen team member at 800-871-9244, Option 3 to take care of your service arrangements. If you would like to designate an operational contact with respect to this matter, please provide his or her contact information as soon as possible. If you wish to simply disconnect your service, you can submit a disconnect request available at <https://www.lumen.com/help/en-us/disconnects.html>. If you choose to take no action, you will be disconnected on or after September 29, 2023.

ATTACHMENT A

If you subscribe to other services from Lumen, those services will NOT be impacted by the anticipated discontinuance of the affected services listed above. Your other services will remain in place with no change to the applicable rates, terms, or conditions. When the affected services are discontinued, we will automatically apply any deposits or credits, if applicable, to your CenturyLink Communications, LLC invoice. If the amount of the invoice is less than any deposits and credits, the company will issue a refund for the remaining balance. We will not assess termination liability for termination of the affected services, so please consider disconnecting service at your earliest possible convenience.

We value your business and appreciate your cooperation regarding this notice.

Thank you,

CenturyLink Communications, LLC

The following statement is required by the FCC:

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of CenturyLink Communications, LLC f/k/a Embarq Communications, LLC and also f/k/a Qwest Communications Company, LLC d/b/a CenturyLink QCC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
