Re: Docket No. 45489 Application to Obtain CCN in
City of Gregory, San Patricio County, Texas
Request for Abatement

To whom it may concern;

The City of Gregory is requesting that their CCN application be abated until the City of Gregory and the City of Portland come to a final arrangement on the conflicts with the Proposed CCN Service Areas between the Cities. Once an agreement has been reached then the City of Gregory will file the updated mapping data with the PUC and publish the notice according to the final agreement.

Your prompt response to this matter would be greatly appreciated.

Respectfully,
