**ORDER NO. 6
GRANTING MOTION TO INTERVENE**

This Order addresses Randy Wright, City Manager of Portland's request to intervene in this proceeding. On August 18, 2016, Mr. Wright filed a request to intervene stating, "[t]he City of Portland maintains water service to approximately 75 acres within the City of Gregory's proposed CCN. Portland has provided continuous service to the LaQuinta terminal property, including the Gulf Coast Compress since 2004." Mr. Wright appears to have a justiciable interest that may be adversely affected by the outcome of this proceeding. No objections to Mr. Wright's motion to intervene have been filed.

The motion to intervene is granted.

SIGNED AT AUSTIN, TEXAS on the 9th day of September 2016.
