**Re: Docket No. 45489 Application to Obtain CCN in
City of Gregory, San Patricio County, Texas**

To whom it may concern;

This letter is in response to Order No. 12 requiring a response from the City. We are protesting PUC Staff recommendations that the application be dismissed due to lack of Opt Out Information. We feel that there has not been a clear explanation of what is being requested which results in more re-filing than needed. We showed the proposed opt outs on the maps as hatched but didn't show them as a whole which was later clearly explaining on a later order. It has been difficult obtaining answers to any questions as it is required by PUC that everything be filed and reviewed which takes at least 30 days for a response.

Your prompt attention to our request to continue the application process for the City of Gregory would be greatly appreciated.

Respectfully,
