**ORDER NO. 14
ESTABLISHING DEADLINES**

This Order establishes deadlines for the continued processing of the application. On September 6, 2017, Commission Staff stated that Gregory's amended map has removed all opt-out requests and is sufficient. The memorandum of Sean Scaff and Gary Horton, of the Commission's Water Utilities Division, lists the remaining deficiencies in the application. Commission Staff proposed that the City of Gregory be given until October 6, 2017, to cure the deficiencies in the application.

No later than October 6, 2017, the City of Gregory shall provide the information listed in Commission Staff's September 6, 2017 memorandum. Commission Staff shall file a supplemental recommendation by November 6, 2017.

Signed at Austin, Texas the 12th day of September 2017.
