**Re: Docket No. 45489 Application to Obtain CCN in
City of Gregory, San Patricio County, Texas**

To whom it may concern;

The letter serves as a status report for the City of Gregory for filing the amendment to its CCN Application. We are in the process of amending the CCN Maps and have been in contact with PUC Staff on questions we have come across. The City has researched and provided all the areas that they are currently serving and we are in the process of revising the CCN Boundary. We anticipate on having a revised Map for PUC Staff to review by the end of next week if not sooner.

Any help on this matter would be greatly appreciated. Please feel free to contact me if you have any questions or require further information.

Respectfully,
LNV Engineering
TBPE Firm No. F-366
