PUBLIC UTILITY COMMISSION
FILING CLERK

From: Hector Castaneda
LNV

Date: February 26, 2016

**Re: Docket No. 45489 Application to Obtain CCN in
City of Gregory, San Patricio County, Texas
Response to January 29th PUC Memo**

1. Provide a list of neighboring utilities, districts, and any other entities providing the same type of service within a 5-mile boundary from the proposed service area. This is a requirement of new water and/or sewer CCN applications pursuant to 16 TAC § 24.106(b)(1). **Rincon Water Supply and the City of Portland are within the 5-mile boundary.**
2. Provide documentation showing that the City has submitted requests for service from neighboring utilities providing the same type of service within a 5-mile boundary from the proposed service area. **The City doesn't have any documentation.**
3. Provide completed public notices that will be sent to residents of the city, private land owners within the proposed area, county judges of the county, and each groundwater conservation district that is wholly or partly included in the area proposed to be certified within a 5-mile boundary from the proposed service area. **Please find attached.**
4. Provide a signed and notarized oath. **Please find attached.**

The Applicant should also address the following mapping information:

1. Provide a small scale (general location) map only showing the location of the proposed service area(s) in the vicinity of the nearest town, city, or county. **Please find attached.**
2. Provide a large scale (detail) map only delineating the proposed service area(s) with enough detail to accurately locate the proposed service area(s) in the vicinity of surrounding roads, streets, and highways. **Please find attached.**
3. Provide digital data only including the proposed water and/or sewer service area(s) in either a drawing (DWG) or shapefile (SHP) format on a data disk (CD) OR submit metes and bounds (legal description). **Please find attached.**
